

# Perfection for injections

Experts in aesthetic devices for over a decade,  
manufacturing **cannulas that craft confidence**

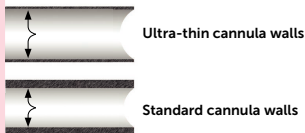

Optimised patient  
outcomes with  
**the finest cannula**  
technology.

 **Silkann®**

# Silkann cannulas are made to the highest standards

Silkann ultra-thin cannula walls increase the inner diameter of the cannula

Silkann oval porthole shape has a larger area than a round port for better flow

We launched the Silkann aesthetic range in 2012, building on our rich history of ophthalmic care to deliver reliable aesthetic cannulas for a variety of procedures, manufactured to the highest of standards in the United Kingdom.
